Licensing Act 2003 - Applications completed in 2023

Please find below a list of Licensing Act 2003 applications completed since 1 January 2023 by the Licensing Authority, Adur District Council, for new Premises Licences, Variations to existing Premises Licences and Review applications.

The terms of the Licensing Act 2003 dictate that all 'new' applications and 'variation' applications are publicised and consulted on. If no representations are received from 'Responsible Authorities' or any other persons such applications must be granted as applied for. If relevant representations are received and mediation between the parties is unsuccessful then the application has to be deliberated by the Licensing Committee following a hearing.

'Minor variations' are also consulted on but only by 'public notice' on the premise, details posted on this website and any responsible authorities the licensing authority selects as relevant. If relevant representations are received and considered by officers to have implications under the licensing objectives then the application is simply rejected and a full variation has to be applied for.

'Review' applications are consulted on by public notices being displayed on the premise and on the licensing authority's notice board situated at the Shoreham Centre. Details are posted on this website and copies of the application are served on the licence holder and responsible authorities. Review applications cannot be withdrawn unless a licence is surrendered and must be heard by the Licensing Committee whatever agreement mediation may produce.

- LA 2003's statutory licensing objectives.

- Guidance under section 182 by the Home Secretary and Licensing Act 2003.
- Human Rights legislation and the rules of natural justice.
- The application and both written and oral relevant representations from WSCC Trading Standards and Sussex Police.
- The written and oral representations, testimony and relevant information supplied by the licence holder.

In discharging its functions the Committee did so with a view to promoting the Licensing objectives, the relevant objectives here were the prevention of crime & disorder, public safety and the protection of children from harm.

The Committee considered carefully to all written and oral evidence. They carefully considered the concerns raised by the responsible authorities namely WSCC Trading Standards and Sussex Police and accepted the evidence provided following:

- A test purchase operation involving the purchase of alcohol by a 17-year-old Trading Standards volunteer on 23rd November 2022

- The sale of counterfeit cigarettes to an undercover Trading Standards Officer on 14th February 2023.

The Committee had regard to the Guidance from the Home Secretary issued under Section 182 of the Licensing Act 2003 (amended December 2022) under Section 11.18 which advises where a warning has already been issued that licensing authorities should not merely repeat that approach. A warning both verbal and in writing had been given in this case on the 8th and 11th November 2022.

The Committee also considered the Guidance from the Home Secretary issued under Section 182 of the Licensing Act 2003 (amended December 2022) under 11.21 to remove the DPS unless the cause of the problem was poor management. In this case the Committee found poor management, but the manager was the DPS.

The Committee finally considered the Guidance from the Home Secretary issued under Section 182 of the Licensing Act 2003 (amended December 2022) under 11.27 that criminal activity that may arise in connection with licenced premises should be treated particularly serious namely illegal purchase and consumption of alcohol by minors and sale or storage of smuggled tobacco as in this case.
