

## **Local Government (Miscellaneous Provisions) Act 1982 Street Trading Restrictions in Worthing**

There are 3 types of area in Worthing with Street Controls. These are vigorously patrolled and breaches to the Local Government (Misc. Provisions) Act are enforced. Each offence is liable to a fine of up to a £1000 per incident. The areas are:

### **1) Consent Streets**

Montague Street  
Montague Place  
South Street Square

The Council allows street trading in these streets under licence but has a strict policy that vendors are not competing with local shops, not selling fast food, not operating from a van or trailer and are adding colour to the town. Fast Food and Ice Cream Vans clearly would not receive a licence to operate in the above consent streets. A licence to trade in any of the above areas costs £1,872.00 a year, £107.00 a week or £43.00 a day (in 2011/12). Plots are strictly limited.

Marine Crescent  
Marine Drive

These are consent streets on West Worthing sea front and the licensing of Ice Cream vans and/or beverage vendors is considered but not fast food or the sale of motor vehicles. Licence costs £113 a year (in 2011) and application forms are available from the Licensing Unit 01273 263192. The number of licences issued is strictly limited.
