

Worthing Healthy Workplace Award

Would you like your workplace to be healthier, happier and more productive?

Worthing Healthy Workplace Project can help your organisation to achieve this by:

- Supporting health initiatives
- Providing health information resources
- Assisting you in your application for the Worthing Healthy Workplace Award

Why should you get involved?

Participation in the Worthing Healthy Workplace Project can assist employers to achieve:

- Reduced sickness absence
- Lower staff turnover
- Good employee / management relations
- A positive company image in the eyes of both employees and customers
- Improved community links
- Motivated employees with increased morale
- Staff retention
- Free publicity
- A healthier, happier workforce

By participating in the Worthing Healthy Workplace project your employees will benefit from:

- Healthier working conditions
- Accessible health information in the workplace
- Boosted levels of morale and motivation
- Working for an employer who values health
